Acceptable Documentation
Acceptable forms of documentation include but are not limited to: physician’s written statement to substantiate illness or accident, newspaper obituaries or death certificates to substantiate deaths, written statement from clergy, family member, or other third party familiar with the student’s situation, and written statement from academic advisor or professor. Students who have lost federal aid and have an appeal approved are placed on “Financial Aid Probation” for the subsequent term and may receive federal aid for that term.

Appeal Deadline
Appeals must be submitted by the mid-point in the term for which they are seeking the appeal.

Approval Notice
Appeals are received, logged and passed to the Satisfactory Academic Progress Committee who will review appeals; decisions of the committee will be forwarded to each appellant in writing, and will be final. Students placed on “Financial Aid Probation” must earn 67% of their cumulative attempted credits at the end of their probationary period in order to regain federal aid eligibility. All students granted an appeal will be provided with an “Academic Plan” that specifies the new pace to which the student must adhere in order to regain federal aid eligibility; an Academic Plan may span more than one semester (term). Any student on probation who does not meet the requirements of the Academic Plan at the end of any term within the Academic Plan will lose federal aid eligibility; the student must then meet SAP requirements before regaining federal aid eligibility.

SUNY Potsdam Scholarships

Thanks to the generosity of many SUNY Potsdam alumni, employees, businesses, foundations and friends, The Potsdam College Foundation, Inc., and SUNY Potsdam are able to award nearly $2.3 million in scholarships and awards to over 900 incoming and returning students each year. Most scholarships and awards are based upon student achievement, and some also take into account financial need as well. When applicable, financial need is determined by analysis of the Free Application for Federal Student Aid (FAFSA).

Most scholarships do not require a specific application. Those that do require an application are marked as such in the list below. Scholarships for incoming students (freshman or transfer) are awarded upon admission to SUNY Potsdam and are generally based on the student’s high school or transfer grade point average, and auditions for students applying to The Crane School of Music. In some cases scholarships are based on financial need and/or involvement in extracurricular activities. Scholarships for returning students are generally awarded through the department. For more specific information on scholarships and awards, please contact the Financial Aid Office, which administers all scholarships and awards, at 315-267-2162 or go to www.potsdam.edu/scholarships. You may also consult a professor in your major concerning scholarships specific to your major.

Please note that the value of scholarships is not listed here because amounts vary each year depending upon availability of funds. Also, not every scholarship is available to new recipients every year. Some scholarships are renewable from year to year; that is, the recipient may continue to receive the award every year until graduation, as long as he or she continues to meet the scholarship criteria.

Scholarships may be affected by the estimated cost of attendance and by other sources of aid received.

**STUDENT LIFE**

**Campus Life Policies**

**Maintenance of Public Order**
The State University of New York at Potsdam wishes to maintain public order appropriate for a university campus without limiting or restricting the freedom of speech or peaceful assembly of students, faculty or administration. The College has, therefore, issued Rules for the Maintenance of Public Order to ensure that the rights of others are protected and to set forth prohibited conduct. For a copy of the Rules, contact the Office of Student Conduct and Community Standards or go to [www.potsdam.edu/studentlife/studentconduct/index.cfm](http://www.potsdam.edu/studentlife/studentconduct/index.cfm).

**Rules of Student Conduct**
SUNY Potsdam recognizes that students have, within the law, rights of free expression and advocacy and seeks to encourage and preserve these freedoms within the entire University. Inherent within this broad policy is the obligation of all students to conduct themselves lawfully, maturely and responsibly. To this end, SUNY Potsdam has established the Code of Student Rights, Responsibilities and Conduct, which sets forth detailed regulations for conduct and disciplinary proceedings.

These regulations recognize the need for due process and procedural fairness prior to the imposition of disciplinary action. For further information and written requirements, contact the Office of Student Conduct and Community Standards or go to [www.potsdam.edu/studentlife/studentconduct/index.cfm](http://www.potsdam.edu/studentlife/studentconduct/index.cfm).

**Student Conduct and Community Standards**
The Office of Student Conduct and Community Standards works closely with students, faculty, staff, and the local community on conflict resolution, appropriate citizenship, academic integrity, and other quality of life issues. It is the goal of the office, though coordination of the student conduct system, to help students learn to think proactively concerning their behavior and its effect on others. The desired result is that students will accept both the responsibility and consequences for their behavior and will strive to make appropriate choices. In addition, the Office of Student Conduct and Community Standards coordinates the College's research and programming related to student use and abuse of alcohol and other drugs. For further information, go [www.potsdam.edu/studentlife/studentconduct/index.cfm](http://www.potsdam.edu/studentlife/studentconduct/index.cfm).
