

## **Writers' Block Tutors' Strengths, SPRING '25**

Tutors appear in alphabetical order, not order of experience. All tutors can help, especially with 100- and 200-level courses. All tutors complete a full-semester training process before joining the staff. Email [wblock@potSDam.edu](mailto:wblock@potSDam.edu) with any questions on Writers' Block or writing.

**WAYS and other 100-level courses:** any tutor.

Each WAYS 101 or 103 class has a designated tutor who might or might not work for Writers' Block. Reach that tutor by "raising your hand" in Starfish.

See tutors' bios on Starfish Services, too. Most tutors can help you well with any course.

These tutors have more experience in these areas:
