

# MLA Citation Format: Best Guides for Students

from the SUNY Potsdam Writers' Block

[SUNY Potsdam students may request a Writers' Block session](#) any time, to develop your outline, cite your sources, expand your draft, etc.

**These video guides** demonstrate MLA citations, and bibliography.

- In-Text Citations: [MLA In-Text Citation, from Purdue OWL](#)
- Works Cited (bibliography): [MLA Format of Works Cited in Word](#)
- Works Cited (bibliography): [MLA Format of Works Cited in GoogleDocs](#)

**These are our favorite online handouts on MLA:**

- [U Wisconsin Writing Center](#). Click on “MLA Table of Contents.”
- [Purdue OWL](#). In left column, see specific topics, including “MLA Sample Paper” and “MLA PowerPoint.” They embed a citation generator, but remember it’s your job to check correct formatting.
- [MLA’s Guide](#). MLA offers its own very detailed guides. On this page, look at “In-Text Citations” and “Works Cited Quick Guide.”

***The Little Seagull Handbook 4<sup>th</sup> edition*** covers MLA style, starting on page 150, on the green-tabbed pages. That book was required for WAYS 102.

- (The 5<sup>th</sup> edition will soon be used, so the page number might change. In Contents, look for Research-Documentation-MLA.)
