Our favorite online handouts:

- [Colorado Community Colleges Online Library](#) guide to ASA citation format.
- [U Toronto Mississauga](#) guide to ASA citation format.
- [SUNY Potsdam Writers' Block handouts on Citing Sources](#) includes a detailed ASA guide.
- [Purdue OWL](#). In left column, see “In-text,” “References,” and “Manuscript Writing Style.” Purdue OWL includes a citation generator, but that does not offer citations in ASA style.
