

# How to Order Catering

1. Physically click on the QR code with your mouse or scan with your smartphone here:

2. Select from the drop down tab:

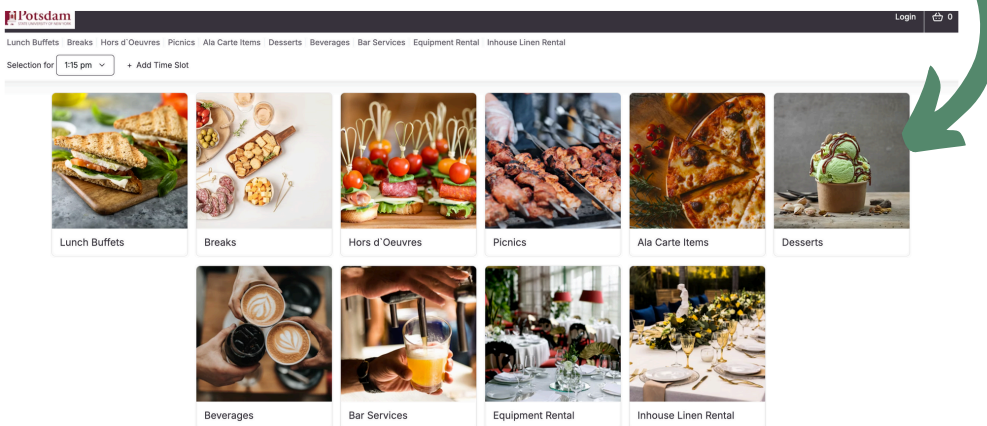

Event date

Event time

## Choose your meal:

3. Add items to your cart, follow system prompts, and input notes where appropriate

## Register:

4. Register your Department, name, phone, email, and password
5. If you're paying on account via Department charges, let the team know before you order

## Checkout:

6. Fill out all information fields, if you have a tax exempt code - tax will be removed by the team after the order is confirmed. Confirm and enjoy!

## FAQ'S:
